PROPERTY DESCRIPTION

Nestled in a peaceful cul-de-sac in the heart of Stowupland village, this well-presented two-bedroom semi-detached bungalow offers everything you need for comfortable, easy living.

Whether you are looking to put down roots in a quiet, community-focused setting or simply want the freedom of a manageable home with real character, this property is well worth your attention.

Inside, the layout is both practical and welcoming. A bright reception room provides a natural heart to the home, while the kitchen offers everything you need for day-to-day life.

Two good-sized bedrooms and a family bathroom complete the picture, giving you a home that works hard without any unnecessary fuss.

One of the real highlights here is the garage, which comes with dedicated parking — a genuine bonus in village settings like this. Whether you need the storage, a workshop space, or simply somewhere safe to keep the car, it adds real day-to-day value.

Step outside the cul-de-sac and you will find Stowupland village within easy reach of all its amenities — a petrol station, a traditional butcher, a takeaway or two, and two well-regarded local pubs, The Crown and The Retreat, all centred around the village greens that give Stowupland its charm. Stowmarket town centre is just a mile away, putting shops, schools, and transport links well within reach.
